Breakfast at leisure.

Full Day Arktis Icebreaker Cruise

The Arctic Icebreaker excursion from Kemi is a full-day Arctic adventure on the frozen Bothnian Bay, offering one of the most unique winter experiences in the world. The journey begins with a transfer from Rovaniemi to the coastal port, where you will board a specially designed icebreaker vessel built to navigate and crush thick sea ice.

Once at sea, the ship slowly moves into fully frozen waters, where you can witness the immense power of the vessel as it breaks through solid ice sheets, leaving a dramatic trail of fractured ice behind.

A key highlight is the ice floating experience, where you will wear insulated survival suits and safely float in the icy sea between broken ice formations. Despite the freezing conditions, the suits provide full thermal protection.
